- Note: The Leadership Summary does not include every virtual meeting of the FDCC Construction Law Section, State Representative Meeting of the Central Division or other meetings in which I attended or lead. It also does not include the individual investigations conducted as an active member of the FDCC Admissions Committee which now exceed twenty (20) nominees. It also does not include all of the programming topics, outlines and panels created for FDCC Winter, Annual and CCS meetings. In addition, I have not included the dozens of business referrals that I regularly share with FDCC members all over the country.
