2025 FDCC ANNUAL MEETING

STEIN ERIKSEN LODGE AND THE CHATEAUX AT DEER VALLEY
JULY 28 - AUGUST 2, 2025 | PARK CITY, UTAH

2025 FDCC Annual Meeting

July 28, 2025 – August 2, 2025

GO FOR GOLD IN PARK CITY, UTAH

The FDCC is thrilled to welcome you to Park City, Utah for our 2025 Annual Meeting. Park City is the birthplace of “Freestyle” and is home to world-class ski resorts like Deer Valley and Park City Mountain Resort. The Olympic spirit of perseverance, resilience and the pursuit of excellence is alive and well in Park City, where many Olympians choose to live and train year-round. Much like Olympians who are focused and determined to be the best in their sport, we will come together to learn, grow and inspire each other to do the same in our lives and in our practices.

We will be taking over Stein Eriksen Lodge and its sister property, the Chateaux at Deer Valley, for the meeting. Both are nestled in the mountains and provide 360° mountain splendor at every turn. Stein Erickson Lodge holds a coveted spot on the Forbes List for the Most Luxurious Hotels in the World, and for good reason. The guest rooms are spacious, relaxing and invigorating, with an unmatched view and world class amenities, including a personal hot tub! The Chateaux at Deer Valley offers similar luxury room arrangements that are perfect for families, and those wanting a little more room.

At the FDCC, we work hard and play hard. We cannot think of a better spot to “Train with Champions,” than Park City. Lee Hall has put together a program designed to cultivate and inspire the champion in each of us. Keynote speakers will include David McRaney, author of *How Minds Change*, who will offer techniques for effective persuasion in an increasingly polarizing environment, Justice Elizabeth Walker from the West Virginia Supreme Court, and 2024 ESPN Sports Personality of the Year, Holly Rowe. We will explore the dangers and legal ramifications of deep fakes, train to use cutting-edge technology in trial, navigate the hours, days and weeks immediately following a verdict or crisis, and study the impact of recent Supreme Court decisions on our civil defense practice. Our program will offer you a boot camp of training opportunities with champions from inside and outside the FDCC on cutting edge techniques, legal developments and advocacy.

Afternoons are yours to explore and enjoy the beauty and majesty of the Wasatch Mountains and historic Park City. For the adventurers, you can choose from white water rafting, a day at Olympic Park, an E-Bike mountain tour, ATV’s in the mountains, hiking,

kayaking and fishing, just to name a few. For our foodies, enjoy the many options on Main Street, or try a flight and a tour at the High West Distillery. And much, much more. Or stay on property and relax at the pools, hot tubs, or the world-renowned Spa at Stein Eriksen Lodge.

Each night you will be treated to stunning views, fresh mountain air and entertaining and lively fellowship events. Stein Eriksen Lodge and the Chateaux offer a variety of options to gather and reconnect. Monday will be low-key with a Welcome Reception at Stein Eriksen with dine-arounds to follow. On Tuesday, we will host the elegant President's Reception under the stars.

We've scheduled dine-arounds and reserved you a spot at some of Park City's finest restaurants for Monday and Wednesday evening. Shuttles will run on a loop from the hotels, so no need to drive or rent a car. If you prefer to stay in town for an after-dinner drink or live music event, the FDCC will run shuttles from Main Street back to the hotel.

On Thursday evening, we will journey offsite to the Utah Olympic Park, which is a centerpiece of Utah's winter sports legacy. Built for the 2002 Winter Olympics, the park served as a venue for ski jumping,

bobsledding, luge, and Nordic combined events. Today, it stands as a training site for Olympic and extreme sports athletes. And, it will again serve as a hub for competition in the 2034 Winter Olympics, which are returning to Park City. We will have the run of the Olympic Winter Games Museum, following by a gourmet meal and exciting dinner show unlike anything in the FDCC's history. This event will be one to remember!

Our last night will be casual, family-friendly, and fun at the Lodge. Think of a backyard party, music and smores in the most beautiful mountain setting you can imagine with your Federation family. No need to dress up, no extra shopping or packing necessary for this low-key night before we all have to return to the hustle and bustle of our daily lives.

Park City is a destination for all of the senses at any age. We can't wait to see you all "Going for Gold" in Park City!

Tiffany and Steve Alexander, Convention Chairs
Lee Hall, Program Chair
Heidi Goebel, President

Main Street is wonderfully walkable and also offers a free transit system. The free shuttle from Stein Eriksen and Chateaux will take you to and from Main Street and other Deer Valley resort spots. No need to rent a car or hassle with parking. Please be aware that the legal limit for blood alcohol while driving in Utah is .05, well below that of the rest of the nation

Weather

With average high temperatures below 80°F and nighttime temperatures in the mid-50's, Park City is the place to be in the summer. The probability of rain is low, as is the humidity, and the likelihood of clear skies and fresh mountain air is very high!

Elevation

Park City is situated about 7,000 feet above sea level. This makes for glorious vistas and clean mountain air but may take some preparation and acclimation. Stein Eriksen and the Chateaux are 8,200 feet above sea level. Besides giving your body time to adjust to the new altitude when you arrive, consider:

Drink 4-6 liters of water per day to stay hydrated.

Eat high carbohydrate foods

Cut down or avoid alcohol

Cut down or avoid smoking

Pace yourself for the first 24 hours and avoid strenuous activities.

Child Care

The FDCC will have special, age-appropriate programming for teens and children during the adults-only Presidential Reception on Monday night and Wednesday during the Dine-Arounds. **Pre-registration is required.** Children must be at least 3 years old and fully potty trained to participate.

Teens and children are welcome to attend all other scheduled events.

If you desire childcare at any other time during the convention, Stein Eriksen partners exclusively with [PARK CITY SITTERS - Parkcitysitters/home](https://www.parkcitysitters.com/home) to offer on site, professional child care services. Hourly rates start at \$50 per hour per child with a 4-hour minimum. Contact the Concierge for reservations and more information (435-645-6460). Please note, however, that the FDCC does not endorse the hotel's childcare services or make any representations about their quality standards or fitness. Please use at your own risk.

Solos

If you are attending "solo", let us know! The registration form will include an opportunity to indicate if you would like to be part of any "solo" plans, including the FDCC Dine Around night. Once onsite, we will have opportunities for you to get together with other solo attendees – whether this is your first meeting or your 10th!

What to Wear/Dress Code

Overall, the dress code for summer in Park City is relaxed and comfortable. Feel free to pack casual clothes for your afternoon excursions and dine-around evenings and plenty of activewear for hiking, biking or exploring. Once the sun goes down, things cool off, so bring a light jacket or sweater with you just in case!

For meetings and education sessions, we recommend business casual attire. Recommended attire for the evening events and specific activities is identified with each event, but you will want to make sure to pack cocktail attire (and a wrap to keep you warm in the cool night air) for the President's Reception. Otherwise, be comfortable and ready for fun!

Charm

Snowflake - The FDCC started selecting gold charms to commemorate its meetings in 1960. Over the years, our tradition has been to select a specially designed charm that will bring to mind fond memories of the venue or theme of the meeting.

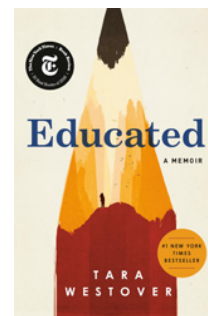

The charm for the 2025 Annual Meeting in Park City, Utah is the snowflake. Utah is home to the Greatest Snow on Earth. Because of the lake effect of the Great Salt Lake, much of the snow that hits the mountains of the Wasatch front is lighter, drier, and powdering. Utah's "champagne powder" makes its 10 ski resorts within one hour of Salt Lake City a premier destination for winter sports fanatics and a fabulous host for the Olympics.

Charms are specially ordered so please be sure to purchase your charm when you register. We cannot guarantee charms will be available if you do not pre-purchase.

Book Club

Educated is a memoir by Tara Westover that chronicles her extraordinary journey from growing up in a strict, survivalist Mormon family in rural Idaho to earning a PhD from Cambridge University. Raised in the isolated mountains near Clifton, Idaho, Westover's upbringing was deeply influenced by her family's fundamentalist beliefs and mistrust of government institutions. Westover's father prohibited his children from attending school or seeking modern medical care, instead insisting that they work in his junkyard and rely on their mother's herbal remedies. Without birth certificates, immunizations, or formal education, Westover and her siblings lived largely outside mainstream society. Despite these limitations, Westover's desire for knowledge led her to self-educate and find mentors who encouraged her to continue her education. Westover's memoir is a compelling narrative about the cost of knowledge and self-reinvention, while raising questions about the role of religion, family, and personal agency.

"The Fall and Rise of the West Virginia Supreme Court"

In 2018, West Virginia made national headlines when its governor took an unprecedented step: calling for the impeachment of every sitting Supreme Court justice - the only time in American history for an entire court to be impeached. Behind this extraordinary move lay a tale of spending, ethical breaches, and abuse of power that threatened to demolish public trust in the state's highest court. This presentation explores the people and decisions that upended the West Virginia Supreme Court, and how it restored public trust. No matter where you live, this story reminds us of what happens when we drift from our principles as lawyers.

“Defending Civic and Religious Organizations in the Wake of Purdue Pharma and Truck Insurance ”

We have seen a nationwide trend of statute of limitations reforms resulting in the revival of previously time-barred claims for childhood sexual abuse. The ensuing influx of claims has impacted civic and religious organizations, forcing many into bankruptcy where the claims are resolved *en masse* with little opportunity to investigate claims and no ability to conduct meaningful discovery.

SCOTUS’s 2024 decisions in *Harrington v. Purdue Pharma L.P.* and *Truck Insurance Exchange v. Kaiser Gypsum Co.* have changed the legal landscape, making achieving finality in these claims more difficult than ever. This discussion will provide an overview of the decisions in Purdue Pharma and Truck Insurance and how they have impacted the handling of mass claims both in and outside an insured’s bankruptcy.

This year at the Annual Meeting in at Stein Eriksen Lodge & The Chateaux at Deer Valley in Park City, UT, the FedServes committee will host a baby shower to collect items for new parents in need in support of the United Way of Northern Utah's Welcome Baby program. Many families in the local community with newborns are in need of essential baby items that are frequently requested but rarely available. We will provide a wish list of the baby supplies requested (including diaper bags, diapers, wipes, baby shampoo, diaper rash cream, bottles, pacifiers, clothes, books, etc.) and invite members to purchase items to fill diaper bags on site. We will create an Amazon wish list for an easy way to purchase the items and ship them to Utah in advance of the meeting.

The mission of FedServes is to touch the lives of people who live in the communities where our meetings are held, and to leave a positive mark through our efforts. Your support is greatly appreciated.
