

The FDCC Roomblock in the [Corinthia Hotel](#) is sold out.

However, there are rooms available in the hotel, albeit at a slightly higher price. We recommend joining the [Corinthia Loyalty](#) membership program (it's free), which will offer lower rates on the website than for non-Loyalty members.

We also recommend checking the website more than once, should you find that only suites are available. The website is “wonky,” and shows different room types at different times.

We are keeping a waitlist for “swapping” rooms that are cancelled. We would advise booking rooms and then emailing us to go on the waitlist and cancelling your previously booked rooms.

There are a number of attendees who have booked “AirBnB’s” or other hotels intentionally, so if you do decide to go offsite, you won’t be alone!
